

Apéro Electric Convection Heater

7359 Series

5 year element warranty
2-year limited warranty

FEATURES

Color

- White
- Variety of models are also available in charcoal color

Finish

- Epoxy/polyester anti-rust powder coating resistant to UV rays

Voltage

- 240/208V, 60 Hz, 1-phase

Wattage

- Sizes ranging from 500 W to 2000 W

Construction

- Steel cabinet featuring rounded corners and grilles that prevent access to the heating element
- Front air outlet that directs warm air towards the center of the room
- High-limit temperature control with manual reset

Heating Element

- X-shaped, monoblock element made of surface-treated extruded aluminum

Control

- Built-in electronic proportional-action digital thermostat, ultra-precise to 1/10 °C (1/5 °F), located at the top of the unit
- Digital controls lockable by key combination
- Temperature display format (°C or °F)
- “Mode” button to choose from Comfort, Economy, Frost Protection and Heat Off modes.
- Heating indicator light
- “On-Off” button

Installation

- Quick surface-mounted installation, with the included wall mounting bracket, that also serves as marking template
- Flexible cable with electrical wall box cover plate included
- Requires installation of a wall electrical box not supplied

Warranty

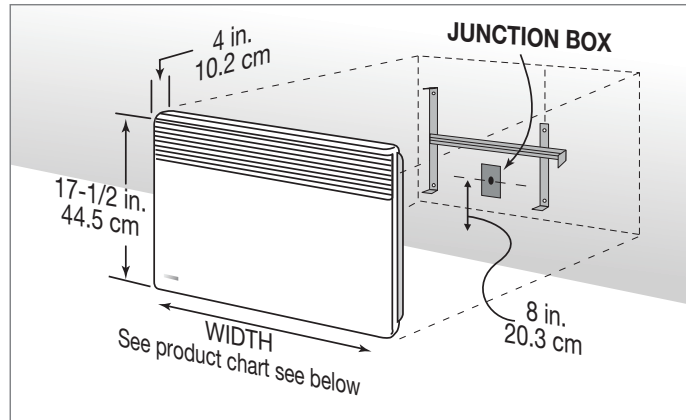

- 5-year heating element, 2-year parts and defects

Applications

- Kitchen, living room, family room, bedroom, bay window
